

# Give the Gift of Warmth to a Student this Season

At The Education Partnership, we're committed to supporting our community by providing essential school supplies to 231 under-resourced schools across Southwestern PA.

By **donating cold-weather items such as hats, scarves, and mittens**, you can help increase student attendance and well-being during the colder months. These items can be knitted, crocheted, store-bought, or gently used.

Your gift has the power to make twice the impact for students in need this season thanks to a generous match by **84 Lumber!**

If you would prefer to make a monetary donation, TEP accepts cash, checks, or payments via our GiveSmart link below or using the QR code:

**[https://fundraise.givesmart.com/form/IQ\\_x6A](https://fundraise.givesmart.com/form/IQ_x6A)**

Please drop off all donations at the address below by April 2nd:

**281 Corliss Street  
Pittsburgh, PA 15220**

Together, we can **remove barriers between students and their education**, giving every child the chance to learn with comfort and confidence.
